You understand and agree that this adoption is subject to your agreement to take proper care of the animal, and that your ownership is revocable by the Mower County Humane Society ("MCHS"). If it determines, in its sole discretion, that you are in breach of this contract. You agree that a MCHS representative has the right to visit your home at any time after this adoption to assess the conditions and adherence to this contract. The animal must have food, water, correct shelter and proper care. If you adopt an unaltered animal, it must be spayed or neutered within six (6) months of the date of the adoption. If the MCHS believes, in its sole discretion, that the animal is not being properly cared for in any way, or you are otherwise in breach of the terms of this contract, the MCHS retains the right to remove the animal from your home at any time and without notice.

It is understood and agreed that the MCHS is a non-profit all volunteer organization that provides a service of placing animals in homes and that the Non-refundable fee you are charged is a nominal amount which is intended to partially offset the costs the MCHS has incurred. Although the MCHS makes every effort to ensure the health of the animals, it makes no warranty or representation regarding the condition or health of any animal. You agree to indemnify, defend and hold the MCHS, its officers and volunteers, harmless from and against any losses, injuries, claims, or damages arising in any way from the adoption of any animal from the MCHS.
